Overall Length:

66.000 inches

Aircraft Location:

Skin installation, center lower inboard trailing edge flap

Aircraft Mission Design Series:

A-10

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11 t6511 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
