Aircraft Location:

Liquid cooling loop temperature sensor

Aircraft Mission Design Series:

B-1b

Special Features:

C/o 3 tubes, 2 fittings; nha l5341600

Material:

Aluminum alloy 6061

Material Specification:

Ww-t-700/6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
