Overall Length:

12.000 inches

Overall Width:

8.000 inches

Material Thickness:

0.020 inches

Aircraft Location:

Vane no.5

Aircraft Station Number:

Fs385.89

Aircraft Mission Design Series:

Fb-111a

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
