End Application:

1520-00-859-2690

Functional Description:

Beam assembly left hand bl14.00

Reference Data And Literature:

Synthetic spares frg program

General Description:

Web matl aluminum alloy 7075 qq-a-250/13, to; w/o rivet holes; support assembly comp q type 16-parts added from basidwg

Type/model Designation:

Uh-1d

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
