Overall Length:

73.000 inches

Overall Width:

60.000 inches

Thickness:

0.250 inches

Aircraft Location:

Upper fuselage

Aircraft Station Number:

Fs373.80 to fs446.10

Aircraft Mission Design Series:

F-16a

Special Features:

Superseded -13, ow, finish a804, nha -16b6332-5; eff on 6d 0011 9999

Material:

Aluminum alloy

Material Specification:

Qq-a-250/4 t62 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
