End Application:

1520-00-859-2670

Special Features:

V cross section; w/o rivet holes

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Relationship To Similar Equipment:

Similar to nsn 1560-01-150-2652 p/n 205-031-806-17 bond assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
