**Overall Length:**

130.000 inches

**Overall Width:**

37.000 inches

**Thickness:**

0.025 inches

**End Application:**

C-130

**Aircraft Location:**

Leading edge, flap

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5 assn standard single material response

**Specification Or Standard:**

T3 temper

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11700
