Overall Length:

6.940 inches

Overall Width:

5.480 inches

Thickness:

1.600 inches

Aircraft Station Number:

Fs464.50 to 471.50

Aircraft Mission Design Series:

T-38

Special Features:

P/o intercoastal I-h

Material:

Aluminum alloy 2024

Material Specification:

Qq-1-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
