Overall Length:

6.797 inches

Overall Width:

4.500 inches

Material Thickness:

0.040 inches

End Application:

1560-00-074-3201

Special Features:

Rectangular shape; w/flanges

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 t0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
