Overall Length:

11.703 inches

Overall Width:

6.000 inches

Material Thickness:

0.040 inches

End Application:

Mcdonnell p/n 32-33258-1/-303 frame assembly

Special Features:

Right appl

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
