**Overall Length:**

11.703 inches

**Overall Width:**

6.000 inches

**Material Thickness:**

0.040 inches

**End Application:**

Mcdonnell p/n 32-33258-1/-303 frame assembly

**Special Features:**

Right appl

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A11400
