Overall Length:

23.000 inches

Overall Width:

22.000 inches

Thickness:

0.160 inches

End Application:

F-111

Aircraft Location:

Glove, high lift, lower aft

Aircraft Station Number:

Fs450.90

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 t62 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
