**Overall Length:**

31.000 inches

**Overall Width:**

11.600 inches

**Material Thickness:**

0.050 inches

**Aircraft Location:**

Former instl

**Aircraft Station Number:**

Fs151.20

**Aircraft Mission Design Series:**

A-10a

**Material:**

Aluminum alloy 7075

**Material Specification:**

Qq-a-250/13 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
