Overall Length:

83.000 inches

Overall Width:

3.750 inches

Material Thickness:

4.000 inches

Aircraft Location:

Otbd trailing edge closure spar

Aircraft Mission Design Series:

F-15

Special Features:

Nha 68a116119

Material:

Aluminum alloy 7175

Material Specification:

Mms 1304, cond t7452 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
