Overall Length:

40.000 inches

Overall Width:

18.000 inches

Thickness:

0.125 inches

End Application:

F-15

Aircraft Location:

Outbd & inbd wing trailing edge

Special Features:

Opposite pn -2019; nha 68a116002

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
