Overall Length:

3.100 inches

Overall Width:

0.750 inches

Material Thickness:

0.050 inches

End Application:

F-15

Aircraft Location:

1005 repair vertical stabilizer

Special Features:

Also known as clip

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 cond 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
