End Application:

F-15

Aircraft Location:

Stabilizer, vertical, forward box upper

Special Features:

Filler

Material:

Titanium

Material Specification:

Mil-t-9046 type iii comp c condannealed military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-t-9046 spec.
