Overall Length:

4.200 inches

Overall Width:

3.200 inches

Material Thickness:

0.050 inches

Side For Which Designed:

Left side

Aircraft Location:

Lwr longeron installation

Aircraft Station Number:

181.88-257.50

Aircraft Mission Design Series:

A-10a

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11800
