Overall Length:

21.500 inches

Overall Width:

17.000 inches

Thickness:

0.050 inches

Aircraft Location:

Sidewall closure fairing

Aircraft Mission Design Series:

F-15e

Special Features:

Opposite p/n -2001; nha 68a335002

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
