**Overall Length:**

12.700 inches

**Overall Width:**

12.500 inches

**Material Thickness:**

0.032 inches

**Aircraft Location:**

Beam installation

**Aircraft Station Number:**

BI11.50

**Aircraft Mission Design Series:**

A-10a

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5 t3 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
