Overall Length:

30.800 inches

Overall Width:

16.600 inches

Material Thickness:

0.032 inches

Aircraft Location:

Beam installation

Aircraft Station Number:

BI11.500

Aircraft Mission Design Series:

A-10a

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
