End Application:

F-15

Aircraft Location:

Empennage support beam closure, inboard

Aircraft Station Number:

Fs815.00

Material:

Titanium alloy

Material Specification:

Mil-t-9046 type 3 comp c anld military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-t-9046 spec.
