Special Features:

Aluminum alloy; finish to 11a per epb 4-230; heat treat to t42 per hp 1-2; plate used on frame assembly

Specification Data:

02731-7-311114160 manufacturers specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
