Overall Length:

41.500 inches

Overall Width:

27.000 inches

Thickness:

0.050 inches

End Application:

F-15

Aircraft Location:

Outbd mlg aft door

Special Features:

Opposite p/n -2091; outer skin

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
