Overall Length:

27.800 inches

Overall Width:

9.250 inches

Material Thickness:

0.050 inches

Aircraft Location:

Leading edge wing rib

Aircraft Station Number:

Xfs 125.865

Aircraft Mission Design Series:

F-15

Special Features:

Opposite p/n -2014

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
