Overall Length:

7.450 inches

Overall Width:

4.150 inches

Material Thickness:

0.032 inches

Aircraft Location:

Fwd seal support

Aircraft Mission Design Series:

F-15e

Special Features:

Opp -2025; made from -2004

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 cond t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
