Overall Length:

9.500 inches

Overall Width:

4.500 inches

Material Thickness:

0.040 inches

Aircraft Location:

Leading edge, outboard rib

Aircraft Mission Design Series:

F-15

Special Features:

Opposite -2027

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
