**Overall Length:**

18.900 inches

**Overall Width:**

3.300 inches

**Material Thickness:**

0.090 inches

**Aircraft Location:**

Trailing edge wing skin stiffener

**Aircraft Mission Design Series:**

F-15

**Special Features:**

Opposite p/n -2011; nha -1006; located on xw113.610

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5-0 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
