Overall Length:

14.000 inches

Overall Width:

4.000 inches

Thickness:

0.063 inches

End Application:

Acft, model f18

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11700
