Overall Length:

22.800 inches

Overall Width:

14.200 inches

Thickness:

0.071 inches

End Application:

F-15

Aircraft Location:

Upper external

Aircraft Station Number:

Fs458.800 to fs509.500

Special Features:

Nha 68a321000

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 t81 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
