Overall Length:

57.030 inches

Overall Width:

5.600 inches

Material Thickness:

0.030 inches

End Application:

F-15

Aircraft Location:

Strap, skin repair, outboard torque box

Aircraft Station Number:

Xw188.255

Material:

Steel comp 301

Material Specification:

Mil-s-5059 1/2 hard ss military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-s-5059 spec.
