**Material Thickness:**

0.025 inches

**End Application:**

F-14

**Special Features:**

C/o epoxy, polyamide primer mil-p-23377

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
