Overall Length:

22.000 inches

Overall Width:

11.600 inches

Material Thickness:

0.040 inches

End Application:

Acft, model av8

Material:

Aluminum

Material Specification:

Qq-a-250/13 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
