Overall Length:

9.750 inches

Overall Width:

7.200 inches

Material Thickness:

0.032 inches

End Application:

Acft, model av8

Material:

Aluminum alloy

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A11400
