Overall Length:

86.000 inches

Overall Width:

5.000 inches

Material Thickness:

0.032 inches

End Application:

F-15

Aircraft Location:

Speedbrake stiffening straps

Special Features:

Nha 68s80979; 6al04v

Material:

Titanium alloy

Material Specification:

Mil-t-9046 typ 3 comp c cond a military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-t-9046 spec.
