Material Thickness:

0.032 inches

End Application:

Ch-53 helicopter...

Aircraft Mission Design Series:

Ch-53

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
