Overall Length:

7.000 inches

Overall Width:

1.000 inches

Material Thickness:

0.112 inches

Aircraft Location:

Arc tee strap repair

Aircraft Station Number:

Fs351.40

Aircraft Mission Design Series:

C-141a/b

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-250/12 t73 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
