**Material Thickness:**

0.050 inches

**End Application:**

S-3 viking airplane...

**Aircraft Mission Design Series:**

S-3a

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
