Overall Length:

8.000 inches

Overall Width:

2.000 inches

Material Thickness:

0.071 inches

Aircraft Location:

Frame assembly, aft cowl

Aircraft Station Number:

Pp179.950

Aircraft Mission Design Series:

C-141

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
