Overall Length:

23.500 inches

Overall Width:

3.200 inches

Material Thickness:

0.032 inches

Aircraft Location:

Inbd strut tail fairing instl

Aircraft Mission Design Series:

B-52

Special Features:

Pure; opp -103; finish f10.10; nha 35-8201

Material:

Titanium

Material Specification:

Mil-t-9047 class 7 annealed military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400

Mil-std (military Standard):

Mil-t-9047 spec.
