Overall Length:

27.500 inches

Overall Width:

13.000 inches

Material Thickness:

0.040 inches

Aircraft Location:

Inbd strut tail fairing instl

Aircraft Mission Design Series:

B-52

Special Features:

Ht tr t4; finish f-2.115; nha 35-8201

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 temp 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
