End Application:

B-52

Aircraft Location:

Inbd strut tail fairing instl

Special Features:

Make from bac-1492-21b by 16.5 in; finish f-2.115; nha 35-8201

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 t3 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
