Overall Length:

2.890 inches

Overall Width:

2.500 inches

Material Thickness:

0.250 inches

End Application:

F-15

Aircraft Location:

Lower aft fitting assembly

Aircraft Station Number:

Fs509.64

Special Features:

Ph13-8mo; nha 68a250303

Material Specification:

Ams 5629 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
