Overall Length:

14.000 inches

Overall Width:

14.000 inches

Thickness:

0.160 inches

Aircraft Location:

Upper fairing, wing, aft, center

Aircraft Mission Design Series:

F-15

Special Features:

Opposite -2006; nha -1001

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5 cond 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11700
