**Overall Length:**

19.800 inches

**Overall Width:**

5.000 inches

**Material Thickness:**

0.081 inches

**Aircraft Location:**

Nose wheel well fairing instl

**Aircraft Mission Design Series:**

Kc-135

**Special Features:**

Ht tr t4; finish f-2.115; nha 5-71741

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5-0 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
