Overall Length:

19.800 inches

Overall Width:

5.000 inches

Material Thickness:

0.081 inches

Aircraft Location:

Nose wheel well fairing instl

Aircraft Mission Design Series:

Kc-135

Special Features:

Ht tr t4; finish f-2.115; nha 5-71741

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/5-0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11400
