**Overall Length:**

7.200 inches

**Overall Width:**

1.000 inches

**Material Thickness:**

0.071 inches

**Aircraft Location:**

Oil cooler duct longeron assembly

**Aircraft Mission Design Series:**

C-139

**Special Features:**

Nha 362535-1; heat treat t4

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-362 temp 0 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A11400
