Overall Length:

7.200 inches

Overall Width:

1.000 inches

Material Thickness:

0.071 inches

Aircraft Location:

Oil cooler duct longeron assembly

Aircraft Mission Design Series:

C-139

Special Features:

Nha 362535-1; heat treat t4

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-362 temp 0 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A11400
