End Application:

Bqm-34a

Aircraft Mission Design Series:

Bqm-34a

Special Features:

Used on guided missile handling and servicing equipment

Material:

Aluminum alloy 6061

Special Test Features:

Material: aluminum alloy 6061

Supplementary Features:

Missile equipment cowling

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A11500
