**Overall Length:**

10.500 inches

**Overall Width:**

5.000 inches

**Material Thickness:**

0.040 inches

**Aircraft Location:**

Outboard leading edge

**Aircraft Mission Design Series:**

F-15

**Special Features:**

Nha -1001

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/5 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A11400
